

# The Circle of Fifths I -

The **Circle of Fifths** diagram shows the clockwise arrangement of major keys in an order of ascending fifths for sharp key signatures. With each added sharp the key advances five letter names and the tonic moves up a perfect fifth.

Flat keys are presented in an order of descending fifths. With each added flat the key moves back five letter names and the tonic moves down a perfect fifth.

1. Write the flats in the order in which they are added as you go around the circle of fifths.
